Selected Academic Regulations

R. E. LeMon
Vice Chancellor
Academic and Student Affairs

March 29, 2007

State University System of Florida
Regulations Were Drafted for Board Review Taking into Consideration the Following:

• Constitutional responsibilities for governance, management, and administration of the SUS.
• Constitutional responsibilities for articulation.
• Existing policies and procedures in various forms.
• Feedback from Summer Academic Affairs Conference.
• Board member comments.
• Questions/comments from constituents.
Conceptual Framework for Draft Regulations

• **Board of Governors:** Develop general policies and select procedures “to ensure the delivery of high-quality academic programs and services” throughout the System.

• **University Boards of Trustees and Administrators:** Establish the necessary institutional-level policies and procedures to ensure compliance with the expectations outlined in Board of Governors Regulations.
Academic Programs

• Program Authorization.

• Program Termination.

• Limited Access.

• Exception to 120 Credit Hours.
Key Policy Issues

- Revised “New Degree Criteria.”
