SUBJECT: Interim Selection Process of the Interim President

UBOT Committee Review: Interim Selection Process Committee

Recommended Action

Approval of the selection process for an Interim President as recommended by the Interim Selection Process Committee.

Background Information

At the October 12, 2004 meeting of the Executive Committee of the Board of Trustees, the Chair appointed an Interim Selection Process Committee (Committee) consisting of Trustees Diallo, Lowe, Branker, Hanna and Miller. Trustees Diallo and Hanna were appointed as Co-Chairs of the Committee. At the October 27 meeting, the Chair appointed Trustees Holmes and Duncan to the Committee. The Chair is serving as an ex-officio member of the Committee. The Committee was charged with developing a selection process that would result in the identification and recommendation of individuals qualified to serve as Interim President and to identify critical issues an Interim President would need to be aware of upon appointment. The Committee met on October 20, 2004, October 27, 2004 and November 3, 2004 to discuss the interim selection process and identify critical issues for the Board and Interim President over the next 30 days to six (6) months.

Attached please find the Committee’s recommendations for the selection process for an Interim President, with a proposed timeline for the selection and announcement for the University’s website.
