37. The Florida A&M University (FAMU) Board of Trustees needs an independent thinker and a true problem solver to help FAMU go from "good to great". I have sent my children and grandchildren to the university, so I have a vested interest in seeing the university continue to maintain its prominence and prestige within the State of Florida. As a member of the FAMU Board of Trustees, I would add these experiences and add a fresh perspective to the Board.

38. The Board does not manage the day-to-day operations of the university, but it maintains the pulse of all issues through its committee structure and ongoing communication with their respective lead staff person. Overall, the role of the Board of Trustees is to oversee the university in the following areas through the committee structure: Academic Affairs, Audit, Budget and Finance, Direct Support Organizations, Facilities, and Student Affairs.
