MAJOR GIFTS PROGRAM

The Major Gifts Matching Grant Program enables the university foundations to receive state matching funds for private, endowed contributions to the university. For the purposes of this document, the Eminent Scholars Program will be included with all figures, as the programs are nearly identical in purpose, administration, and intent. Donations are required by statute to benefit the library, instructional, or research capabilities of the university and be consistent with the university’s strategic plan to be eligible for matching under either program. Specifically excluded from eligibility are gifts which benefit intercollegiate athletics or gifts that provide for the construction or renovation of facilities.
