Overview of Legislation (SB 1994)
Overview of Legislation (SB 1994)

• By December 31, 2016, Florida Polytechnic is required to meet criteria (amended) established by the Board of Governors, after which, the Board conducts a final review to confirm that the criteria have been met.

• Students currently enrolled at USF Polytechnic must be afforded the opportunity to complete their degree at USF.

• Transfer of all real and personal property, licenses, revenues, contracts, obligations, responsibilities, allocations, liabilities, relating to USF Polytechnic as determined by the USF Board of Trustees and the Florida Polytechnic Board of Trustees from USF to Florida Polytechnic.
Overview of Legislation (SB 1994)

- Transfer of the Florida Industrial and Phosphate Research Institute to Florida Polytechnic.

- Florida Polytechnic Board of Trustees may certify a direct support organization.

- Provisions for the use of space in the Lakeland joint use facility.

- University of Florida to serve in an advisory or consulting capacity to assist in hiring, accreditation, administration, and other areas.
Overview of Legislation (SB 1994)

• Immunity from civil liability for the USF and Florida Polytechnic Boards of Trustees, their officers, employees, attorneys and agents pertaining to or arising out of compliance with the provisions of the bill.
