

Students Earning Degrees in each Academic Year Displaying Average Years to Degree by Student Type, Full-Time Status, and On-Line Course Participation

Cohort Detail:

- Students earning a Bachelor or Master's degree in each academic year who started at UCF by Summer 2004 are included.
- Students are considered 'Full-Time' if at least half of all the terms they were enrolled in that career were at full-time status.
- Percent On-line = SCH taken in courses with a delivery mode of WW, V, RV as a percent of Total SCH

Acad Years to Degree = 3 semesters and is not restricted to enrolled terms

Cohort: Graduate - Full-Time
