Fall enrollment of 924 (76% retention rate) provides strong position for meeting student enrollment of 1244 FTE in Fall 2016.

Continue to make strong progress on regional accreditation.
## Enrollment – Fall 2015

### Fall 2015 Continuing & New Students Count

<table>
<thead>
<tr>
<th></th>
<th>Continuing Students¹</th>

Facilities & Construction

Number One Priority: Applied Research Center

Research Space

Beginning Academic Year

Capacity

Applied Research Center (75,000 NASF)

Starting 2015 to 2019
Summary

• Progress on legislative mandates on track

• Lack of research space affecting both faculty research programs as well as project and design-based curriculum

• Main priority is construction of an Applied Research Center
