2+2 Articulation

Matthew Bouck
Director
Office of Articulation
Articulation in Florida is a set of dynamic and constantly evolving, student-focused policies and practices that facilitate transition between and among education sectors.

It is the intent of the Legislature to facilitate articulation and seamless integration of the K-20 education system...to provide for the efficient and effective progression and transfer of students within the education system and...that articulation policies and budget actions be implemented consistently in the practices of the Department of Education and postsecondary educational institutions and expressed in the collaborative policy efforts of the State Board of Education and the Board of Governors.

Section 1007.01, Florida Statutes
Articulation Coordinating Committee (ACC)

Established in section 1007.01(3), Florida Statutes, as an advisory body appointed by the Commissioner of Education to make recommendations to the Higher Education Coordinating Council, State Board of Education and Board of Governors

The ACC consists of two members each representing the State University System, the Florida College System, public career and technical education, public K-12 education, nonpublic education and one member representing students
