SOURCE: Board of Governors staff analysis of FETPIP data in accordance with 1001.706(5)(d), Florida Statutes. Notes: Board staff applied a minimum threshold of 30 graduates for a program to be considered in these rankings. Employment and earnings data are based on FETPIP's published reports for 4th quarter (Oct-Dec) wages. Full-Time Threshold is the minimum wage multiplied by 40 hours per week multiplied by 13 weeks (this is a quarterly threshold). Full-Time Annualized Wages are calculated by multiplying the Full-Time Threshold by 4.
