BACKGROUND INFORMATION

An advisory group has worked over the past year with the Florida Conflict Resolution Consortium to exam issues relating to the state university campus master planning process. The group was composed of university, local government and community representatives. The group has completed its initial assessment, including recommendations for consideration by the Board of Governors.

The attached document provides an executive overview of the campus master planning process and its relationship to concurrency requirements. It assesses current status and makes recommendations on addressing issues fundamental to continued university facility expansion and construction.
