

# Status Report: Task Force on FAMU Finance and Operational Control Issues

Derry Harper, Inspector General & Director of Compliance

December 6, 2007

# Task Force Action Plan

## VISION

TO MOBILIZE RESOURCES AND DIVERSE CONSTITUENCIES TO SUPPORT FAMU IN RESTORING PUBLIC TRUST IN ITS FISCAL AND ADMINISTRATIVE OPERATIONS.

## MISSION

TO IDENTIFY AND RECTIFY THE ROOT CAUSES FOR THE FISCAL AND OPERATIONAL WEAKNESSES THAT PREVENT FAMU FROM MEETING THE NEEDS AND EXPECTATIONS OF STUDENTS, FACULTY, ALUMNI AND THE GENERAL PUBLIC BY PROVIDING OVERSIGHT, RESOURCES, AND TECHNICAL ASSISTANCE IN THE DEVELOPMENT AND IMPLEMENTATION OF EFFECTIVE CORRECTIVE ACTIONS.

# Task Force Action Plan

## GOAL #1

To ensure a sound financial management system that effectively supports the operations of the University is implemented.

### OBJECTIVES

- *Validate and verify the implementation of the university's corrective action plan to establish its effectiveness in resolving the Auditor General's operational audit findings.*
- *Verify that the areas of concern identified by the Auditor General which indicate potential misconduct, fraud, waste or abuse have been resolved.*
- *Validate and verify that the university has developed and implemented a sound financial management system that effectively performs all financial and accounting functions, including, but not limited to, general ledger entries, bank reconciliation, financial reporting and the budgetary process.*

# Task Force Action Plan

## GOAL #2

To ensure an organizational structure and plan of operations that can achieve the University's vision and mission is implemented.

### OBJECTIVES

- *Verify that the university's system of internal controls is adequate to ensure accountability, integrity, and efficiency in key operational areas, such as contracting procurement and human resources.*
- *Recommend improvements to the university's current hiring, training, and staff evaluation policies and procedures based on industry "best practices."*

# Task Force Action Plan

## GOAL #3

**To ensure that an information technology infrastructure to support the University's financial and administrative operations is implemented.**

### OBJECTIVE

*Verify and validate the development and implementation of an information technology plan that addresses the university's network and systems capability to support the administrative needs (including financial, administrative and student functions) of the university including access to a secure and reliable enterprise resource planning environment.*

# Task Force Action Plan

## GOAL #4

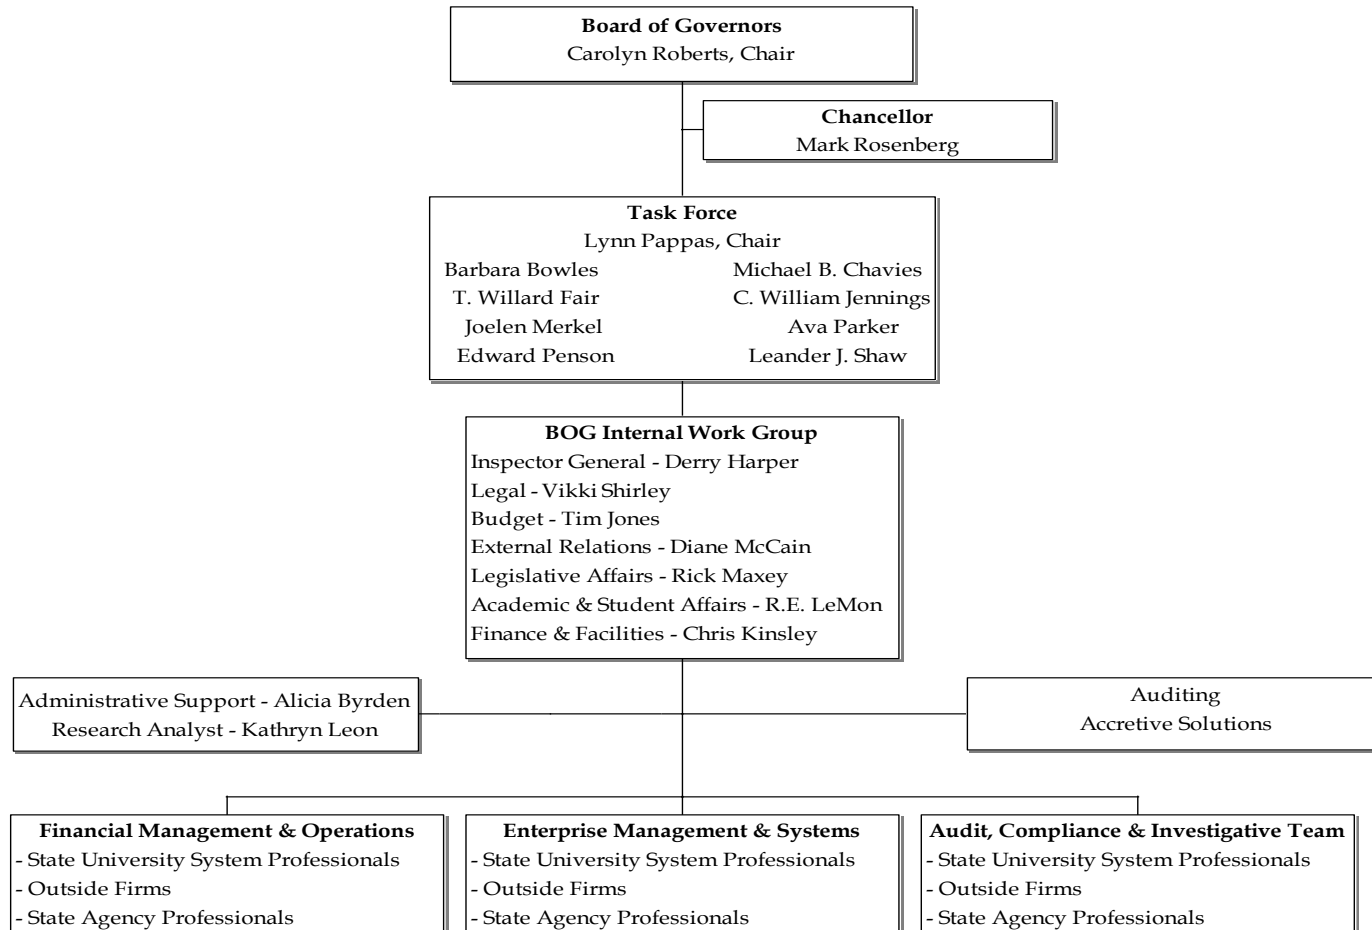

To ensure a governance structure which promotes accountability and integrity in the operations of the University and restores public trust is implemented.

### OBJECTIVE

*Review the university's current governance structure and recommend "best practices" for defining the role of the Board of Trustees and the development of an effective working relationship with the university President.*
