

**BOARD OF GOVERNORS
STATE UNIVERSITY SYSTEM OF FLORIDA
December 6, 2007**

SUBJECT: Approval of Board of Governors Regulation 3.007 Management Information System

PROPOSED BOARD ACTION

Approve Regulation 3.007 relating to the creation and maintenance of a management information system pursuant to the Board's regulation development procedure.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Specific Authority: Section 7(d), Article IX, Florida Constitution

BACKGROUND INFORMATION

These regulations amend or repeal current Board of Governors' regulations that authorize and define the collection of SUS master file data by the BOG Information Resource Management Office. This regulation provides for the establishment and maintenance of an information system to provide composite data about the universities and the system as a whole. In keeping with this responsibility, the management information system for the State University System has been established.

Pursuant to the regulation development procedure adopted by the Board at its March 23, 2006 meeting, the Board is required to provide public notice by publication on its internet web site at least 30 days before adoption of the proposed regulation. No changes were suggested during the public notice period.
