

**BOARD OF GOVERNORS
STATE UNIVERSITY SYSTEM OF FLORIDA
December 6, 2007**

SUBJECT: Approval of Board of Governors Regulation 3.0075 Security of Data and Information Technology Resources

PROPOSED BOARD ACTION

Approve Regulation 3.0075 relating to the security of data and information technology resources pursuant to the Board's regulation development procedure.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Specific Authority: Section 7(d), Article IX, Florida Constitution

BACKGROUND INFORMATION

The 3.0075 security of data and information technology resources regulation amends or repeals current Board of Governors' regulations dealing with the security of data and information technology. The proposed regulation directs the universities to maintain a comprehensive data security plan encompassing safeguards to reduce, eliminate, or recover from the identified risks to data and information technology resources.

Pursuant to the regulation development procedure adopted by the Board at its March 23, 2006 meeting, the Board is required to provide public notice by publication on its internet web site at least 30 days before adoption of the proposed regulation. No changes were suggested during the public notice period.
