SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 14.005
for Certification and Competitive Selection of Architects/Engineering

PROPOSED BOARD ACTION

Approve Public Notice of Intent to amend Regulation 14.005 relating to Certification and Competitive Selection of Architects/Engineering on the Board of Governor's Web site pursuant to the Board's Regulation Development Procedure.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Art. IX, Florida Constitution

BACKGROUND INFORMATION

The 14.005 Certification and Competitive Selection of Architects/Engineers regulation is amended to update references to governance. This regulation is amended to increase the threshold amount for projects requiring a selection committee to \$1,000,000. The regulation also amends the requirements for the selection committee and removes the Minority Business Certification status requirement. The regulation is amended to remove volume of work from the selection criteria. Although volume of work should be taken into account, individual universities have no way of verifying the accuracy of each companies reported work load in the system.
