

**BOARD OF GOVERNORS
STATE UNIVERSITY SYSTEM OF FLORIDA
March 27, 2008**

SUBJECT: Approve Amended Board of Governors Regulation 14.020 for University Supervision for Construction Contracts

PROPOSED BOARD ACTION

Approve Amended Regulation 14.020 for University Supervision for Construction Contracts.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Art. IX, Florida Constitution

BACKGROUND INFORMATION

Regulation 14.020 for University Supervision of Construction Program was approved for public notice at the January 2008 meeting.

The 14.020 University Supervision of Construction Program regulation is amended to update references related to governance and is amended to allow university presidents to assign a designee to assure compliance with applicable codes and standards. The regulation is further amended designating the University Facilities Office as liaison for approval of significant facility program changes.

No public comments or amendments were made to this regulation.
