**SUBJECT:** Regulation 7.001 – Tuition and Associated Fees

---

**PROPOSED BOARD ACTION**

Approve public notice of intent to amend Regulation 7.001 for publication on the Board of Governor's web site pursuant to the Board's regulation development procedure.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Section 7(d), Article IX, Florida Constitution

**BACKGROUND INFORMATION**

Regulation 7.001 provides the basic framework for the implementation and definition of tuition and associated fees for the State University System. This regulation has been updated to delete old references, set fall 2008 tuition for undergraduate programs pursuant to action taken by the Board in May, delegate to the university board of trustees the authority to set tuition for graduate programs and out-of-state fees for undergraduate and graduate programs, and various other changes.

A conference call was held on December 7, 2007 with university budget officers and other university representatives, including but not limited to, controllers, registrars, and financial aid directors. Another conference call was held with the university vice presidents for administration and finance on December 19, 2007. During June, 2008 the universities were requested to review the regulations again. In addition, BOG staff worked individually with institutions to address their questions and concerns.

Pursuant to the regulation development procedure adopted by the Board at its March 23, 2006 meeting, the Board is required to provide public notice by publication on its internet web site at least 30 days before adoption of the proposed regulation.
