AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Article IX, Florida Constitution

BACKGROUND INFORMATION

Regulation 7.003 requires the Board of Governors to authorize all fees assessed to students unless specifically noted otherwise. The fee terminology has been updated and clarified to capture current practice and changes in law since 2001.

A conference call was held on December 7, 2007 with university budget officers and other university representatives, including but not limited to, controllers, registrars, and financial aid directors. Another conference call was held with the university vice presidents for administration and finance on December 19, 2007. During June, 2008 the universities were requested to review the regulations again. In addition, BOG staff worked individually with institutions to address their questions and concerns.

Pursuant to the regulation development procedure adopted by the Board at its March 23, 2006 meeting, the Board is required to provide public notice by publication on its internet web site at least 30 days before adoption of the proposed regulation.
