PROPOSED BOARD ACTION

For Information

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Article IX, Florida Constitution

BACKGROUND INFORMATION

At the August meeting of the Budget, Finance and Business Operations Committee, there was a request for additional information regarding the Florida Center for Library Automation (FCLA).

FCLA provides computer services to libraries at all of the state universities to assist in daily operations and provide electronic access to scholarly materials. Located in Gainesville, FCLA is hosted by the University of Florida.

Dr. Larry Abele, the provost at Florida State University, will present information to the Committee.
