

General Appropriations Act Accountability Report

- Required by 1008.46, Florida Statutes
 - 27 specific measures included in the Implementing Bill
- Prepared since 1998
- Reviewed as part of the budgeting process
- Only a few measures relate to Board-approved accountability measures

Board of Governors, State University System of Florida

Where We're Going

- Legislature and Board share interest in accountability
- Board-approved measures will be reported and accountability will be woven into policy and budget processes
- Strong interest from many directions in
 - Graduation/retention rates
 - Degree productivity, esp. in key areas

Board of Governors, State University System of Florida
