SUBJECT: Comprehensive Vocational Education, Florida State University

PROPOSED BOARD ACTION

Termination of the Ph.D. and the Ed.D. in Comprehensive Vocational Education
at Florida State University (Classification of Instructional Program Code 13.1320)

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Article IX, Florida Constitution

BACKGROUND INFORMATION

Florida State University has requested that both the Ph.D and the Ed.D. degrees in Comprehensive Vocational Education be terminated. These degrees have not been offered for several years and are no longer consistent with the mission of FSU's Department of Educational Leadership and Policy Studies. There are no students or faculty currently involved in the Comprehensive Vocational Education program; accordingly, these terminations will have no impact on enrollment, enrollment planning, or reallocation of resources. Termination of these programs constitutes a formality and reconciliation of the University's advertised degree offerings.

The terminations were formally approved by FSU's Board of Trustees on September 15, 2006. If approved by the Board of Governors, the terminations will be effective immediately.
