

State University System 2007-2008 Tuition Discussion

The attached documents provide information and analysis on potential tuition and state revenue strategies based on anticipated growth in the state university system over the next six years. The attached include:

1. Keeping the SUS Promise, Part 1 - a discussion on State education policies over the last 15 years.
2. Keeping the SUS Promise, Part 2 - a discussion on SUS growth and the financing of that growth through state revenues and student tuition.
3. 2007-2008 Tuition Recommendations - provides three recommendations for the Board's consideration.
