

**BOARD OF GOVERNORS  
STATE UNIVERSITY SYSTEM OF FLORIDA  
June 19, 2008**

**SUBJECT:** Public Notice of Intent to Repeal Board of Governors Regulation 6C-16.002 for Approval (Chapter 16, Administration of Motor Pool)

---

**PROPOSED BOARD ACTION**

Approve Public Notice of Intent to repeal obsolete Board of Regents Regulation 6C-16.002 relating to Approval (of motor vehicles and watercraft) pursuant to the Board's Regulation Development Procedure.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution

**BACKGROUND INFORMATION**

Regulation 6C-16.002 currently specifies that "Motor vehicles or watercraft may not be acquired by lease, lease purchase, purchase or transfer from another agency without the written authorization of the Chancellor or the Chancellor's designee." This regulation is obsolete, as this required approval has not been the practice of the State University System for several years.

No regulation is required with regards to university administration of motor pool.

Administration of Motor Pool regulations were adopted for the purpose of implementing Section 240.209(1), (3) (m), 240.225 FS, which has been repealed.
