

**BOARD OF GOVERNORS  
STATE UNIVERSITY SYSTEM OF FLORIDA  
June 19, 2008**

**SUBJECT:** Public Notice of Intent to repeal Board of Governors Regulation 6C-16.005 for Maintenance (Chapter 16, Administration of Motor Pool)

---

**PROPOSED BOARD ACTION**

Approve Public Notice of Intent to repeal obsolete Board of Regents Regulation 6C-16.005 relating to Maintenance (Administration of Motor Pool) pursuant to the Board's Regulation Development Procedure.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Section 7(d), Art. IX, Florida Constitution

**BACKGROUND INFORMATION**

Regulation 6C-16.005 Maintenance provided authority to the State Universities to enter into contract or contracts with the Department of General Services or with a private business or non-government entity may be established to maintain and repair motor vehicles and watercraft. Further, it authorized "Emergency repairs of a motor vehicle or watercraft may be done in a cost-effective manner when operating away from the normal service facilities.

This specific delegation of authority is no longer required, as the universities are now constitutionally empowered to perform these duties.

This regulation was adopted for the purpose of implementing Section 240.209(1), (3) (m), 240.225 F, which has been repealed.
