

**Board of Governors - State University System of Florida
Facilities and Real Estate Committee (FREC)**

PECO Acceleration

BOG Lead: Ava Parker
Additional BOG Members: FREC Members

Lead Staff: Chris Kinsley

Overview: The Governor has created an initiative to accelerate fixed capital projects to help the Florida economy. The BOG is monitoring this process for the SUS, and providing suggested solutions to remove barriers to acceleration.

Goals and Deliverables:

- 1. Develop Legislative agenda related to removing acceleration barriers**
- 2. Report on University Progress towards goal**

I. PECO Acceleration
