

**Board of Governors – State University System of Florida
Facilities and Real Estate Committee (FREC)**

Create BOG Regulation on Energy Saving Contracts

BOG Lead: Ava Parker
Additional BOG Members: FREC Members

Lead Staff: Chris Kinsley

Overview: Energy Savings Contracts provide a mechanism for universities to acquire energy efficient equipment through the long-term savings realized from reduced energy costs. The BOG could adopt a regulation which would encourage the use of these contracts and define criteria.

Goals and Deliverables:

1. Draft New Regulation
- 2.

II.D Create BOG Regulation on Energy Saving Contracts (ESC)

Actions/Deliverables	Lead Person(s) Responsible	Start Date		End Date		Comments
		Planned	Actual	Planned	Actual	
1. Notice	Ann Duncan			1/28/09		
2. Final Approval	Ann Duncan			3/26/09		
3.
