

**Board of Governors - State University System of Florida  
Facilities and Real Estate Committee (FREC)**

**Approve New Space Factors**

**BOG Lead: Ava Parker**  
**Additional BOG Members: FREC Members**

**Lead Staff: Chris Kinsley**

**Overview: The current space factors are over 12 years old. BOG Facility staff, assisted by an expert working group, have updated the space factors, and propose a methodology for periodic review and update of the space factors, which determine the need for space by type at each institution.**

**Goals and Deliverables:**

- 1. Explanation of space factor development process**
- 2. Comparison of new and old factors**

**III. Approve New Space Factors**
