STATE UNIVERSITY SYSTEM OF FLORIDA
2009/2010 - 2013/2014 SUS Five-Year Capital
Improvement Plan Project List**

The Five-Year Capital Improvement Program Project List is developed based on projects submitted by the universities. The projects are limited to those funded from either PECO or the Facilities Challenge Grant program, but are not restricted by total dollar amount. The first projects listed are consistent with the Three-Year PECO Priority List. All other projects identified in the university lists are included, provided they are consistent with the respective university mission and are supportive to academic purposes. This List is required pursuant to Florida Statutes.
