

**BOARD OF GOVERNORS
STATE UNIVERSITY SYSTEM OF FLORIDA
Student Affairs Committee
September 24, 2009**

SUBJECT: Emergency Management and Planning for H1N1 Flu

PROPOSED COMMITTEE ACTION

For Information.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Section 7(d), Art. IX, Florida Constitution

BACKGROUND INFORMATION

A panel of state university authorities will provide an update on planning in the State University System for the projected onset of the H1N1 flu. The panel will discuss health and safety issues related to students, faculty, and staff; facilities; and academic policies and procedures.

All state universities are monitoring national, regional, and local conditions and have responded by providing information updates to their campus communities, including policy and procedure direction. A few examples of university information pages are provided.
