Tuition and Associated Fees

---

**PROPOSED BOARD ACTION**

Approve public notice of intent to amend Regulation 7.001 for publication on the Board of Governors Web site pursuant to the Board's regulation development procedure.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Subsection 7(d), Article IX, Florida Constitution

**BACKGROUND INFORMATION**

Revisions to Regulation 7.001 are necessary due to actions taken by the Board and Legislature. The changes include; updating the undergraduate tuition per credit hour based on action taken by the Board in May, including tuition differential requirements pursuant to Legislative action and the August action of the Board on need-based financial aid, and finally some technical clarification changes.

This amended regulation was shared with the universities, and changes in response to universities' input were incorporated. Universities also contributed to the development of this amended regulation through conference calls and SUS Data Workshop discussions with budget, financial aid, and institutional research staff.

Pursuant to the regulation procedure adopted by the Board at its March 23, 2006 meeting, the Board is required to provide public notice by publication on its Internet Web site at least 30 days before adoption of the proposed regulation.
