SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 7.008 –
Waiver of Tuition and Fees

PROPOSED BOARD ACTION

Approve public notice of intent to amend Regulation 7.008 for publication on the Board of Governors Web site pursuant to the Board's regulation development procedure.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Subsection 7(d), Article IX, Florida Constitution

BACKGROUND INFORMATION

Revisions to Regulation 7.008 are necessary due to actions taken by the Legislature in implementing the tuition differential fee and a technical correction to exemptions for students associated with Linkage Institutes. One of the tuition differential provisions allows universities to waive the tuition differential for students who qualify for the Florida Public School Assistance Grant.

This amended regulation has been shared with the universities and changes have been incorporated as appropriate.

Pursuant to the regulation procedure adopted by the Board at its March 23, 2006 meeting, the Board is required to provide public notice by publication on its Internet Web site at least 30 days before adoption of the proposed regulation.
