

**QUALIFICATIONS
FLORIDA BOARD OF GOVERNORS CHANCELLOR
APPROVED
By
CHANCELLOR SEARCH COMMITTEE**

The Florida Board of Governors is seeking a Chancellor of the State University System. The successful candidate must possess significant demonstrated and proven effective leadership experience – specific experience in the State of Florida political and educational environment being a plus – that would prove beneficial for leading the State University System. It is essential that the successful candidate possess a set of experiences that will effectively serve the Board of Governors at this seminal stage of development of the evolving governance structures of education. Master’s degree required; doctorate or other terminal degree preferred. A competitive salary will be negotiated.

The Florida Board of Governors embraces diversity and equal opportunity. The State of Florida is subject to “The Sunshine Law” and the Public Records Act; these provide for public meetings and public records for all governmental agencies.
