**MEMORANDUM**

TO: Members, Board of Governors

FROM: Nancy McKee

SUBJECT: 2006-2007 Legislative Budget Request (LBR)

Since the Board approved the 2006-2007 LBR at the July 21 Board meeting, some universities requested that the Board reconsider certain issues that were not their top priority and redirect those funds to higher priority issues. Ms. Gerri Moll, Finance Committee Chair, agreed to consider any university request and make a recommendation to the full Board at the September meeting.

Two universities (FSU and FAU) submitted information requesting a redirection of LBR funds. Attached for consideration at the September Board meeting is the following information:

1. Ms. Moll's recommendation on the FSU and FAU request for a redirection of LBR funds.
2. FSU's redirection request form and original issue papers.
3. FAU's redirection request form and original issue papers.
