

## **State University System Summary of Recommended University Issues**

Due to the sheer volume of the documentation provided by the universities in support of their funding requests, this attachment summarizes all of the university issues that are being considered for recommendation in the legislative budget request and can also be found at <http://www.flbog.org/BudgetRequest/LegBudgetIssues.asp>. In addition, the outcomes associated with these issues are included in this attachment.

The following information is provided in the attachment:

1. Issue title as submitted by the universities.
2. A brief description/justification of the issue.
3. The potential outcome / benefit to the State.
4. The total recommended for funding
