

**State University System
Summary Description of University Priorities
Not Recommended for Inclusion (except for shaded SUS systemwide
issues) in the State University System Legislative Budget Request**

This attachment summarizes all of the university issues that Board staff members have not recommended for inclusion as unique issues in the 2006-2007 State University System Legislative Budget Request. Board staff utilized criteria referenced in Attachment II to determine which issues would be placed into this category. Other information associated with these issues can be found in the detailed university documentation that will be available at the meeting and can be found at <http://www.flbog.org/BudgetRequest/LegBudgetIssues.asp> website. Please note that the shaded issues are included in the systemwide issues identified in Attachment IV.
