

Instructions for Completing the Revised Operating Budget (OB) Form I

The OB Form I has been revised to capture data needed to justify a budget issue's relationship to one of the goals in the Board of Governors' Strategic Plan. Although an issue may cover multiple goals, a unique corresponding OB Form I (I-a, I-b, I-c or I-d) should be completed for the primary goal that this issue is addressing. The data requested on each OB Form I is slightly different for each Board goal.

For each budget issue, determine which Board goal the university is trying to address and complete the appropriate Form I in its entirety.
