

# **Auxiliary Enterprises**

## **AUXILIARY ENTERPRISES**

Auxiliary Enterprises are ancillary support units on each university campus. The major activities are student housing, food services, book stores, student health centers, facilities management, and computer support.

The universities have established budget to support anticipated for their auxiliary units. A total estimated budget for 2004-2005 of \$807,929,208, an 18.93 percent increase over actual 2003-2004 expenditures, has been established.
