

# Faculty Practice Plan

## **FACULTY PRACTICE PLANS**

The Faculty Practice Plan budget contains data related to not-for-profit corporations organized to collect and distribute to the University of Florida and University of South Florida Health Science Centers income from faculty billings for patient services. These patient services are provided in conjunction with the educational and research programs of the Health Science Centers.

The University of Florida has established a total budget for 2004-2005 of \$338,024,388, a 13.68 percent increase over actual 2003-2004 expenditures. The University of South Florida has established a total budget for 2004-2005 of \$75,078,434, which represents a 1.56 percent decrease from actual 2003-2004 expenditures.
