

Strategic Planning & Educational Policy Committee

Florida Board of Governors

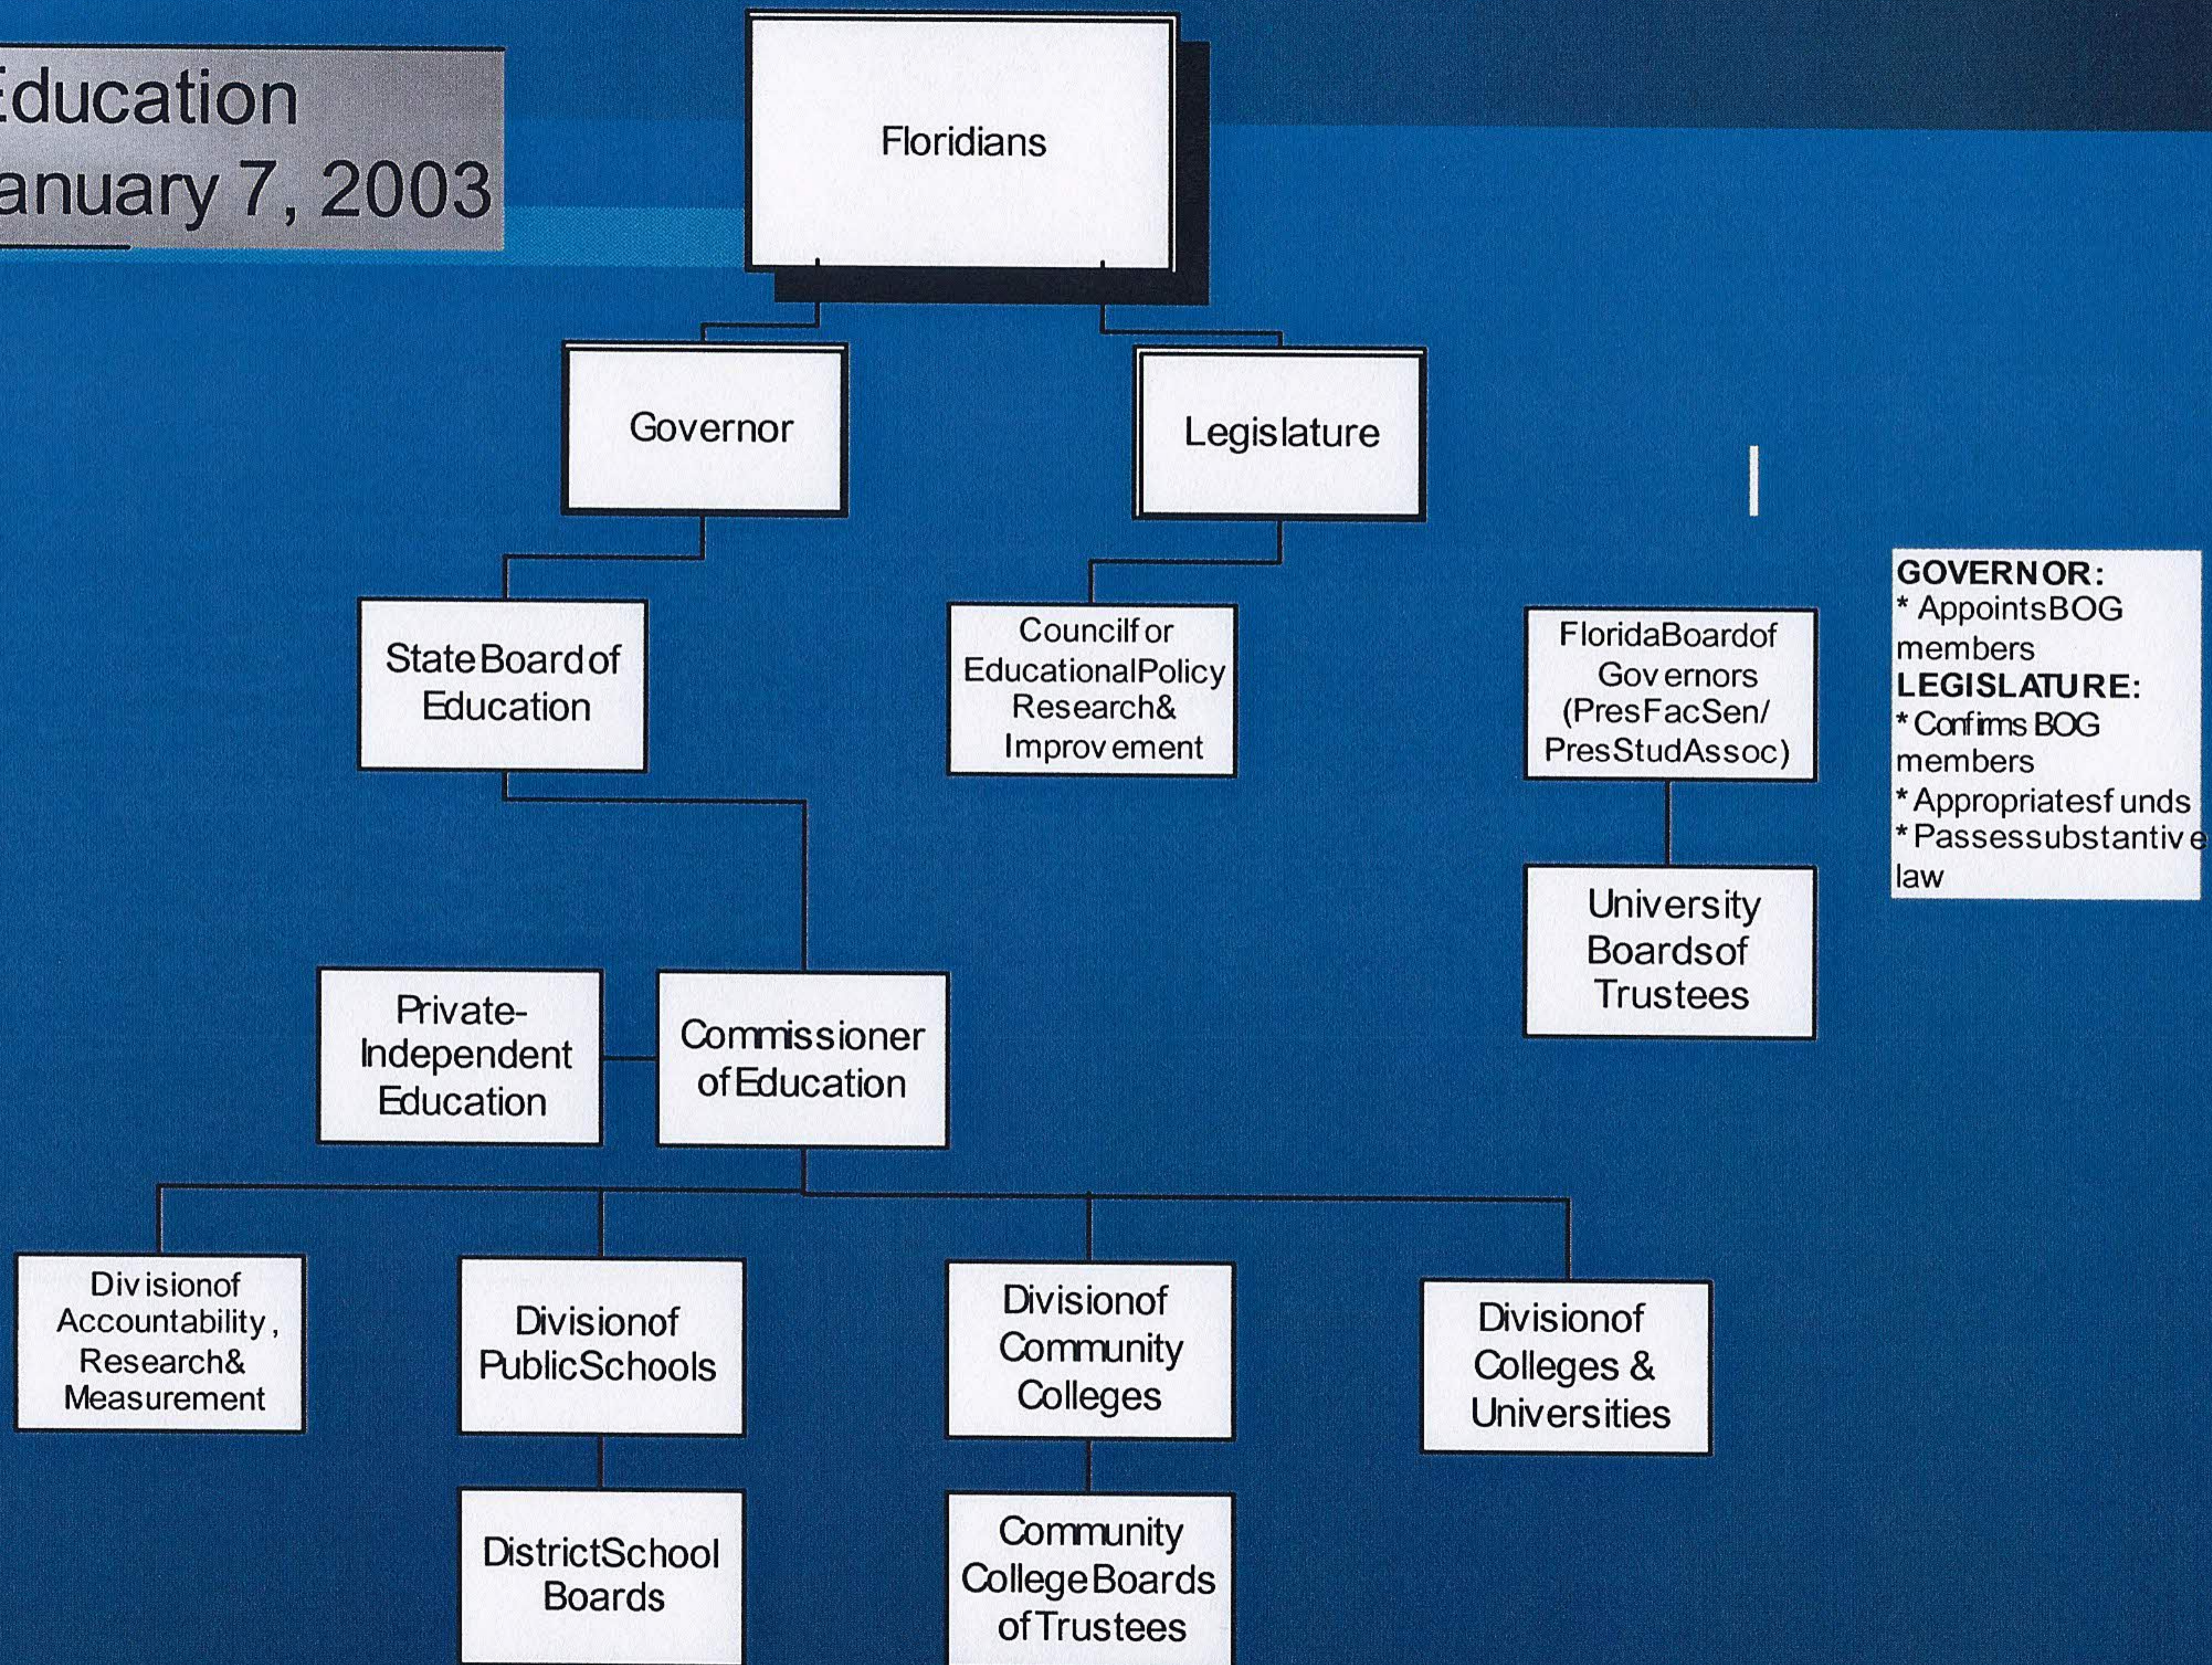

John Dasburg, Chair

July 23, 2003

QUESTION

- Does the Board of Governors have the responsibility for establishing the goals for the State University System?

Education
as of January 7, 2003

GOVERNOR:
* Appoints BOG members
LEGISLATURE:
* Confirms BOG members
* Appropriates funds
* Passes substantive law

ANSWER

- If the answer is “Yes”, then how does the Board of Governors go about establishing the goals for the university system?

TYPES OF GOALS

- **Goals of outputs**
- **Goals of inputs**
- **Goals of performance metrics**

QUESTION

- Does the Board of Governors have the responsibility for defining the distinctive mission of each constituent university?

ANSWER

- If the answer is “Yes”, then how does the Board of Governors go about defining the distinctive mission of each constituent university?

Considerations for the Board of Governors' Mission Statement

- **Establish goals for the State University System**
- **Define the mission and approve the goals and key strategies of each constituent university**
- **Avoid wasteful duplication of facilities and programs**
- **Measure performance and efficiency, and account for expenditures**
- **Funding (?)**
