BACKGROUND INFORMATION

An update will be provided on the efforts of the Council of Academic Vice Presidents (CAVP) to implement the provisions of Board Regulation 8.004 (1), Academic Program Coordination. To facilitate coordination of academic program delivery across the State University System and guard against unnecessary duplication, the CAVP appointed an Academic Program Coordination Workgroup. The Workgroup has been reviewing degree programs listed in the university annual work plans for implementation in the next three years and making recommendations back to the individual universities.

Supporting Documentation Included: Regulation 8.004 provided with previous agenda item.
