

Student Green Fund

FAMU: Top “Green College”

- 2011: FAMU = Only HBCU selected for The Princeton Review list of top “green colleges”

Again in
2012

- Research shows: 63% of students choosing a college care about its “green” practices

SGF Initiative Led by FAMU's Green Coalition

- Student Government Association
- Environmental Sciences Student Organization
- Greek-Letter Organizations & Royal Court
- Other Student Groups (Fall 2012 breakfast meeting with 80+ participants)

Campaign Slogan

**Two quarters can make a
LOT of change!**

Surveyed FAMU Freshmen

- Fall 2011 – 500+ dorm residents
- 77% = probably or definitely would support a FAMU Student Green Fund

Freshmen: Use Money to ...

- Renovate buildings – more energy-efficient
- Install motion-controlled lighting
- Create solar-powered recharging stations
- Create water-bottle-refilling stations
- Support recycling
- Create gardens

FAMU Students Want Green Fund!

Campuswide referendum: Highest approval rate of all FSUS schools!
