General Business Online

Admissions Process

You are encouraged to submit your UF admissions application as soon as you complete four or more preprofessional courses. Eligible students can begin the Online Business Program in the fall, spring, or Summer C term (not Summer A or B).

1. Submit the [UF Undergraduate Admissions Application](#) (selecting "Online Business Program" as your major), transcripts from high school and all post-secondary schools attended, and the \$30 application fee. If you have missed the published deadline (see below), please contact our admissions coordinator, Miranda Morris, as we may still be able to accept your application.

Admissions Deadlines

Term	Deadline Date
Fall	July 1
Spring	November 1
Summer C	April 1

2. The UF Admissions Office will verify that you meet the [minimum UF transfer admissions requirements](#) and then forward your application to the School of Business for further evaluation. We recommend that you check the status of your admission application on ISIS two to four weeks after you submit your application.

News:

Our Web host upgraded all of their servers and broke the GOSA you have come to love. After a mad scramble, I was able to get the forums back up and running. The look is different but everything should be here.

Prospective Students

On occasion, prospective students will stop by our virtual student union to get a students perspective of the online program. Do you have any advice, tips, or funny stories about how you have served your time in the program? Post them here:
