From FCS to SUS

How many AA grads enroll in the SUS?

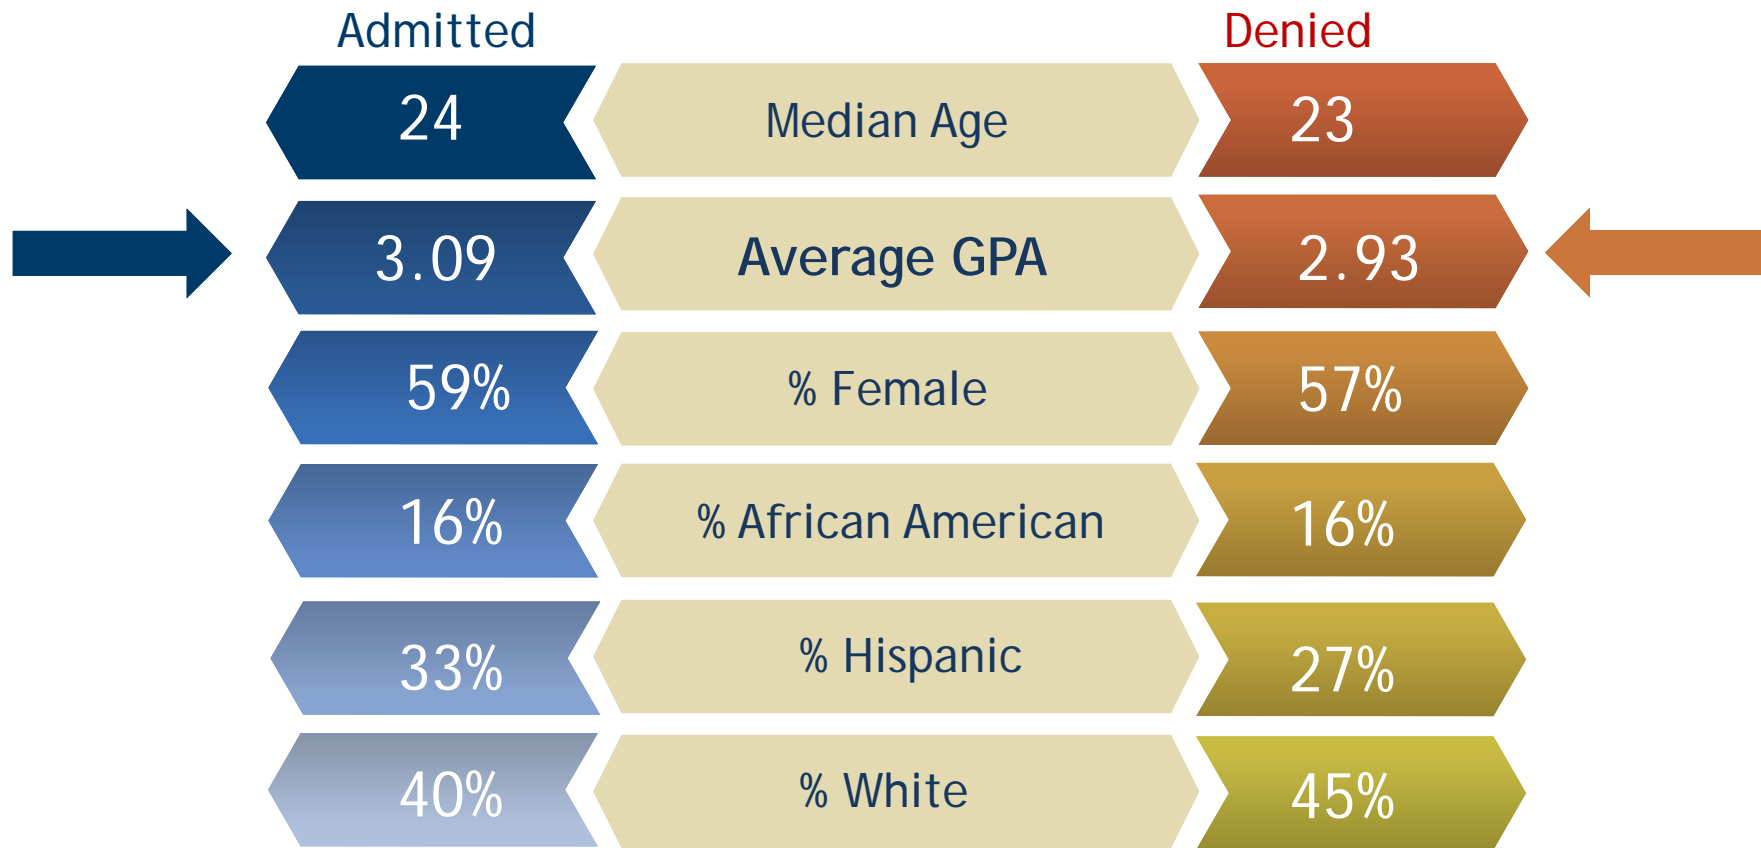

Source: Board staff analysis of State University Data System (SUDS) & National Student Clearinghouse data

Which AA graduates are denied admission?

4,500+ AA grads not admitted to the SUS

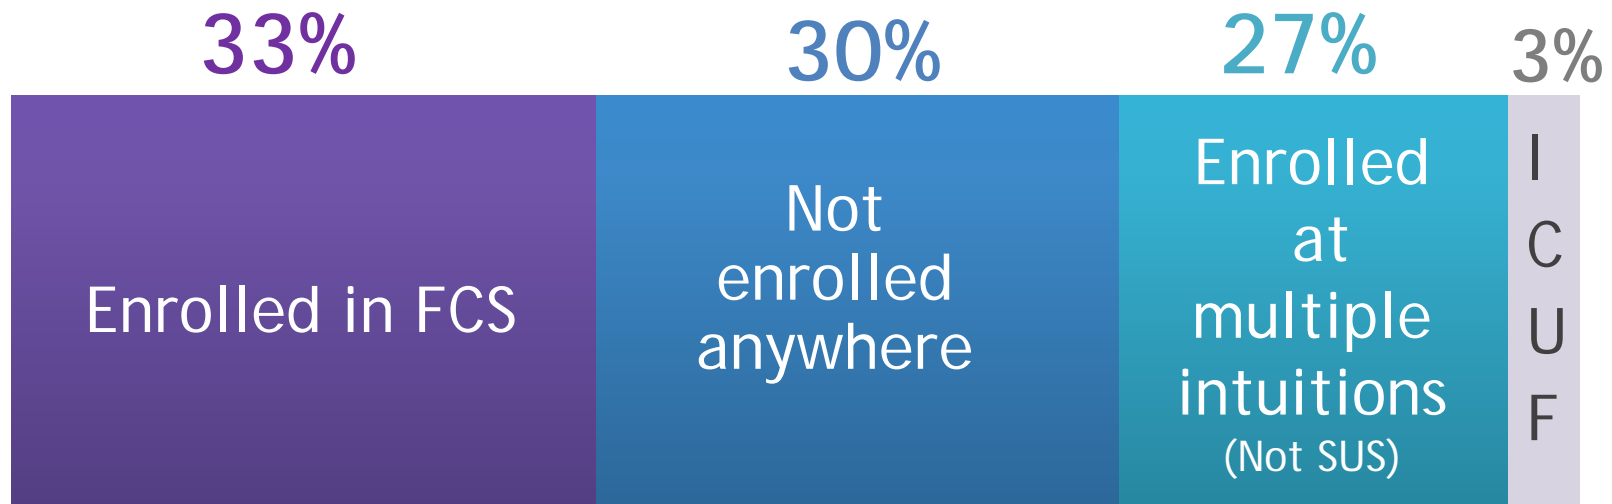

Source: Board staff analysis of State University Data System (SUDS) & National Student Clearinghouse data

If they don't choose SUS...

4,200+ AA grads were admitted to the SUS but did NOT enroll, instead they were found:

Source: Board staff analysis of State University Data System (SUDS) & National Student Clearinghouse data

AA Transfers in the SUS

25%+

of all enrolled undergraduates

85%

of applicants are admitted

student demographics similar to FTIC

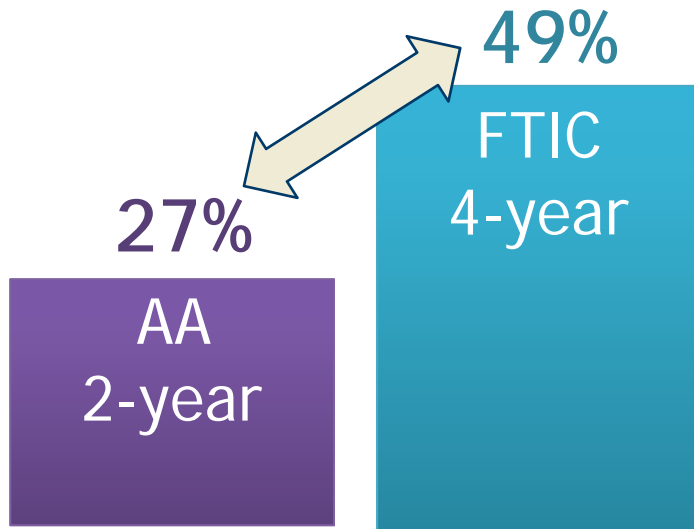

4-year grad rates similar to 6-year FTIC grad rates

Source: Board staff analysis of State University Data System (SUDS)

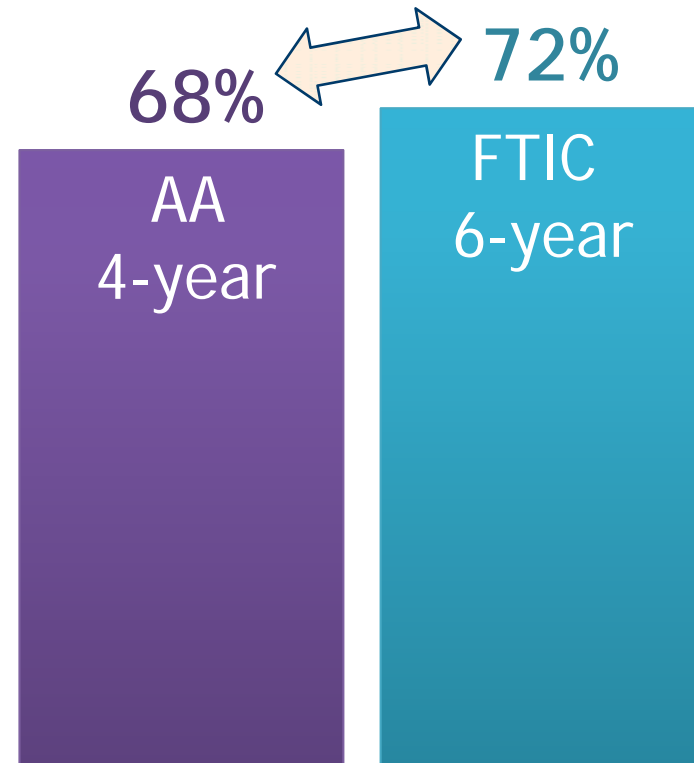

Graduation Rate Comparison

The 2-year grad rate for AA transfers is **lower** than the 4-year grad rate for FTIC students

The 4-year grad rate for AA transfers is **similar** to a 6-year grad rate for FTIC students
