SUBJECT: Strategy 1: Recommendation for a Web-Based 2+2 Advising Tool

PROPOSED BOARD ACTION

Consider approval of Strategy 1: Recommendation for a Web-Based 2+2 Advising Tool

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

In March 2017, the Board approved an implementation plan with the following three strategies for improving the statewide 2+2 articulation agreement.

Strategy 1: Develop a comprehensive and easily accessible web-based 2+2 advising toolkit. The website should contain information for secondary and postsecondary students, secondary and postsecondary advisors, and other key users.

Strategy 2: Encourage the state universities to improve and expand existing local 2+2 enhancement programs and identify key components of effective programs in the four critical areas identified by the Committee (academic transition, admissions process, cultural transition, and information on AA graduates). Require the state universities to conduct regular reviews of enhancement programs and provide regular reports of those reviews to the Board.

Strategy 3: Develop and implement a 2+2 data and information toolkit looking at both the institutional and System levels. The toolkit should include already existing data and analyses and new data and analyses as needed.

In August 2017, a Workgroup comprised of representatives from the Florida College System and its institutions, the Office of Articulation and high school counselors from the Department of Education, the State University System institutions, and Board of Governors staff was charged with developing recommendations for how to best implement the three strategies.

A recommendation for implementing Strategy 1 of the *Plan for Improving 2+2 Articulation* was considered by the Two + Two Articulation Committee at its September

12, 2018 meeting. The Chair of the Two + Two Articulation Committee will provide a recommendation to the Board of Governors.
