**BACKGROUND INFORMATION**

Board of Governors Regulation 10.014 Academic Infrastructure and Support Organizations has been amended in order to address the State University System membership requirement and update language pertaining to the Board. The amendments include:

1. Defining the State University System membership requirement of the academic infrastructure and support organization (AISO) as comprising at least fifty-one (51%) of the AISO voting membership and its executive committee, as applicable.
2. Updates the language pertaining to the Board, replacing "BOG" with "Board."

The Intent to Amend was reviewed by appropriate offices at all universities and the Board of Governors approved the Public Notice of Intent to Amend at its September 12-13, 2018 meeting. Following that approval no public comments were received and the regulation as amended is ready for final approval.
