AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

At its September 13, 2018 meeting, Acting Vice Chancellor England informed the Strategic Planning Committee that its next major task would be to undertake a review of the Board's 2025 Strategic Plan metrics associated with the Plan's goals in order to determine whether the metrics need to be adjusted based on progress-to-date, new Board priorities, or external circumstances. At this meeting, the Committee will review the Strategic Plan's Teaching and Learning metrics, receiving staff recommendations as to those that might be candidates for adjustment. Approvals to change Strategic Plan metrics will be made after all have been considered.
