

Innovation and Online Committee

Planning for a Post-COVID World in the State University System

Goals

- Assuring institution and system-wide readiness for the next pandemic or other crises

Objectives

- Identifying institutional challenges faced with COVID-19, lessons learned, best practices, innovations most likely to gain traction, and changes needed in state, system, and institutional policies and practices.
- Revisiting the *SUS 2025 Strategic Plan for Online Education* in the face of COVID-19

Deliverable

A report with recommendations to the Board of Governors
