AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

Each university will present its current and planned program for online education. Each presentation will include answers to the following questions:

1. What is the current state of online education at the university?
 - a. ADMINISTRATION: What is the organizational structure of the university's program for online education?
 - b. PROGRAMS: How many - and what percentage - of your programs are offered fully online now, by level? Can all fully online programs be taken from a distance, or do some require on-campus work?
 - c. PROGRAMS: What process do you use to determine which programs will be offered online?
 - d. PROGRAMS: What process do you use to determine which online programs will be state-funded and which will be self-sustaining?
 - e. TUITION AND FEES: What is the difference in the university's policies regarding tuition and fees for online courses and those for face-to-face courses?
 - f. TRAINING: Are faculty and teaching assistants required to undergo training before developing or teaching an online course?
 - g. PERFORMANCE: What performance measures are used to determine the success of the university's program for online education?
 - h. OTHER: Please include any other information about your online programs that you think the Committee should know.

2. What are the university's goals for online education, and what will need to happen for the university to fully realize those goals?
