BACKGROUND INFORMATION

Section 1004.0961, Florida Statutes, requires the Board of Governors to adopt a regulation that enables students to earn academic credit for online courses that are taken prior to initial enrollment at a postsecondary institution. Proposed Regulation 6.020 requires universities and university boards of trustees to establish the required policy, within the guidelines provided, while also recognizing the university's faculty and institutional due diligence in the matter.

The regulation has been reviewed by the university general counsels, Council of Academic Vice Presidents, Council of Student Affairs, and other state university staff. Pursuant to the regulation procedure adopted by the Board at its meeting on March 23, 2006, the Board is required to provide public notice on its Internet Web site at least 30 days before adoption of the proposed regulation.
