AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

When the Board of Governors approved revisions to the *2025 System Strategic Plan* on November 6, 2014, a placeholder was included for 2025 goals for the Distance-Learning/Online Metric(s), with a statement indicating that a recommendation would be forthcoming from the Innovation and Online Committee.

Attached are the performance indicators approved by the Board in its *2025 Strategic Plan for Online Education*. System performance on these metrics will be monitored by the Innovation and Online Committee. Two metrics are proposed for the Committee's consideration for recommendation to the Strategic Planning Committee for inclusion in the *System Strategic Plan*:

Teaching and Learning (Excellence):

Percent of SUS courses bearing a "high-quality" rating in the Florida Virtual Campus online catalog - 90%

Teaching and Learning (Productivity):

Percent of SUS undergraduate FTE enrollments in online courses - 40%
