---

**PROPOSED BOARD ACTION**

Approve amendments to Board of Governors Regulation 6.008 Postsecondary College-Level Preparatory Testing, Placement, and Instruction for State Universities.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution and Board of Governors Regulation Development Procedure

**BACKGROUND INFORMATION**

Regulation 6.008 provides guidance related to minimum standards expected for college testing, placement, and instruction. The proposed amendments provide transitional policy related to college placement in order to address changes to the College Board's SAT test. It adds language to reflect that a corresponding redesigned SAT score will be based on official concordance tables available from the College Board after the first administration of the test.

The regulation was reviewed by university general counsels, the Council of Academic Vice Presidents, the Council of Student Affairs, and other state university staff. The regulation amendment was approved for noticing on November 4, 2015. No concerns were expressed about the language during this notice period.
